

ISOGON Fenstersysteme GmbH

Participant ID: 1601. Website: www.isogonfenster.de.

Page views: 10,000 pr month. Valid until: 01-31-2013

This certificate confirms that ISOGON Fenstersysteme GmbH is a participant in the climate initiative "CO₂ neutral websites". The carbon emissions from both the website and the users of the website have been neutralized by the building of new renewable energy sources, various CO₂ reducing projects and by the purchase of certified CO₂ offsets, which are cleared by the relevant government institutions.
